Privacy Policy

We recognize the importance of protecting your privacy and the information that you share with us. Described below is our policy on the collection, use, disclosure, maintenance, and protection of personal information that you provide to us through this website.

Collection of Information

The information that we collect from you through this website will vary depending upon how you use the website and what information you choose to provide. If you contact us via e-mail or submit an online request for information or to schedule a visit to our school, we will collect the information that you provide to us in your e-mail message or request, including your name, contact information, e-mail address and any questions or comments that you may submit. We may also use cookies or other JavaScript to collect any of the information described above. You may adjust your Internet browser settings to easily disable the use of cookies and scripts; however, some functionality on this website may not be available without their use. We use third-party tools that capture detailed information about how users interact with our site and what pages they visit. The data we collect from these tools are used internally to better understand and support our users.

We may use third-party advertising companies to serve advertisements on our behalf. These companies may employ cookies and action tags (also known as web beacons) to measure advertising effectiveness. Any information that these third parties collect via cookies and action tags is completely anonymous. If you would like more information about the use of web beacons, third party cookies and similar measuring tools, as well as your choices, [click here](#).

Use of Information

If you send us any questions or comments by e-mail, we will use your e-mail address to respond to your questions or comments. If you submit an online request for information, we will use your name and contact information to process your request.

Distribution of Information

We may disclose information concerning our website and its users in aggregate, non-personally-identifiable form. We never disclose student e-mail addresses to third parties.

Security

We use industry standard security measures to protect any personal information that you may provide to us. However, we cannot guarantee that your submissions to our website, any content residing on our servers, or any transmissions from our server will be completely secure.
